

Here's what is Happening in April AND You are Invited!

Tom & Marilyn Phipps are planning a No-Host Pre-International Rally before the GMCMI Convention in Patterson, Louisiana.

Dates: Sunday, April 17th until Wednesday, April 20th - Leaving around the 20th
The GMCMI Convention begins on April 22nd. *Arrive Any day – Leave Any day.*

**The question was raised about where to stay on the way down to Buccaneer from the north. A stop at Noccalula Falls was suggested on the way to the stopover at Buccaneer, then on to Patterson.*

Location: Buccaneer State Park

1150 S. Beach Blvd, Waveland, MS 39576

228) 467-3822 - Call to Make your own reservations.

Coming from the East on I-10, **use exit 3**, Stennis Space Center. The park is about 10 miles from I-10. **Do not take Exit 13.** It has a tough railroad crossing that has a high crown and may hit a GMC's low undercarriage.

Sites: We are suggesting you request to stay at The Treasure Cove Loop: Sites 130 to 149. These have full hook-up with 30/50 amp service. This loop has a Bathhouse in the center, close to these sites. If you decide to arrive unreserved, there are plenty of sites at this RV park. The Ranger that I talked to does not expect the park to be full.

Events: It's a no-host, so no major plans are made.

Monday Night we will go out for Mexican

Tuesday Night may be a potluck, depending upon what our group desires.

Fun Stuff: Silver Slippers Casino, just down the road.

Gulf Beach is a very short drive, or a lengthy walk.

Contact Tom Phipps: tph1pp5@outlook.com if you are planning on coming.

What you want to know: Patterson is about a 150 + miles drive (3 hours) from this park.
